

WOOP WOOP

2014 SHIRAZ

Woop Woop wine was founded around a BBQ by three mates, amongst our vines, a glass or two in hand - and just in time to crack the first vintage of the Millennium.

Woop Woop, a much uttered knockabout colloquialism, refers to somewhere in the middle of nowhere. Woop Woop is quintessentially Australian for "out there".

The grapes selected for this top-notch wine were sourced from vineyards renowned for Shiraz. With minimal oak treatment, this wine showcases the brilliant aromatics of South Australia with a focus on pure varietal representation.

Rich fruit of blackberry, cassis, and blueberry display gracefully on the palate of this medium-bodied shiraz. Soft tannins with bright acidity make this wine an effortless go-to for a daily drinker. Drink this wine year-round, with a slight chill during the summer months to satisfy your red wine cravings.

Vintage	2014
Variety	100% Shiraz
Vineyard	Carefully selected parcels of grapes were sourced from a selection of renowned shiraz vineyards in premium Australian wine regions, primarily McLaren Vale and Langhorne Creek in South Australia, where brilliant sun and ancient soils do their best.
Oak Treatment	10% aged in new American and French oak
Appellation	South Australia
Winemaking	Selected Shiraz grapes were destemmed and crushed prior to parcels undergoing primary fermentation. A small percentage of the wine is then matured for 9-12 months in a blend of French and American Oak.
Alcohol	14.5%
Total Acidity	5.7 G/L
pH	3.96
Winemaker	Fiona Davis
