

# UNICO ZELO

## 2017 Jade & Jasper

Unico Zelo was started in 2012 by Brendan and Laura Carter in pursuit of more expressive Australian wines that required minimal intervention in the vineyard and winery, from varieties that were particularly suited to an arid, and warming climate – namely Fiano, Nero d'Avola, Nebbiolo and Dolcetto – crafting wines that express Australia's sites, soils, lifestyle and culture.

A labour of love and passion, originally hailing from Campagna, Fiano is a variety of incredibly ancient heritage. A true pleasure to craft. One of the most complex noses of any white variety.

**Full of white peach blossoms, honeydew and lemon, all covered in a generous splash of Grannysmith Apple. This continues onto an electric palate, lifted by a rich fruit-sweetness, and sparked to life with a crispy acidity. A pleasure to drink at any time of the day.**
