

UNICO ZELO

Adelaide Hills

jade & jasper 2018

The wine that largely put Unico Zelo on the map, first released in 2014 -- it has pioneered the grape variety in some of the harshest climates in Australia -- showcasing the possibility of wines crafted in a pristine desert-like environment.

Textural and aromatic -- a wine you can feel and taste. Primary flavors of pears, green apples and lemongrass. The jade & jasper name comes from two symbols of good luck and prosperity.
